

*Announcing a new partnership in Ohio & Kentucky:
Ellison Technologies & United Grinding team-up to bring
 you profile and cylindrical grinding solutions*

Ellison Technologies has merged with Jackson Machinery and now represents United Grinding throughout OH & KY for Studer, Schaudt, & Mikrosa cylindrical grinders, plus Blohm, Jung, & Mägerle profile grinders. They have an office in West Chester (southern Ohio) at (513) 874-2736 & a brand new Technology Center in Brecksville, near Cleveland at (440) 546-1920.

Join us in celebrating the Grand Opening:

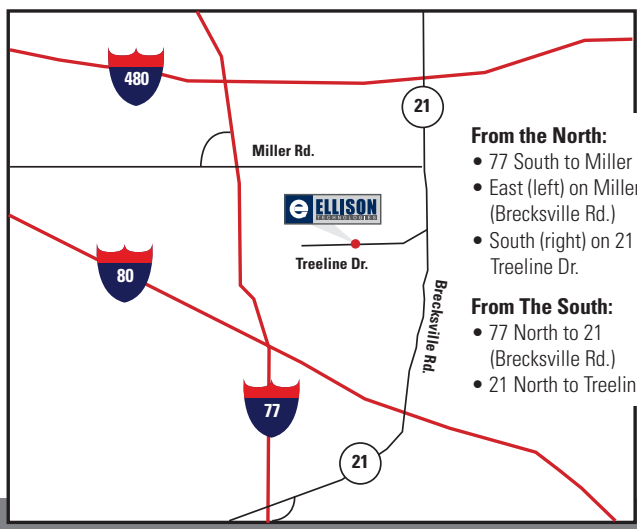

- Why?**
- See a Studer S33 cylindrical grinder in action
 - Meet applications experts
 - Lunch, dinner, & refreshments

When? 5-7 June, 10 AM - 8 PM

Where? Ellison Technologies
 6955 Treeline Dr
